Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Lebanon Water Works 2020 Tank project in Fiscal Year 2023.

The entity to receive funding for this project is the Lebanon Water Works Company, a subsidiary of the City of Lebanon, Kentucky, located at 120 S. Proctor Knott Avenue, Lebanon, KY 40033.

The funding would be used to construct a new elevated water storage tank and a new transmission main between the new tank and the east side of Lebanon, Kentucky. This project will replace two undersized storage tanks and provide sufficient storage and pressure to serve Lebanon's residents and growing industrial base.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James Comer  
Member of Congress
